TERMS & CONDITIONS

PACKS

Pack offerings available through the Heritage Landscape Supply Group (HLSG) EOP will count towards the minimum purchase of Heritage PPG branded products, rebate incentives will be in addition to already discounted pack pricing.

EXTENDED TERMS

Participants may also take advantage of extended terms during the EOP timeframe. This enables participants to defer payment for purchases of all Qualifying Products during the program until June 20th, 2025.

PRODUCT DELIVERY

Participants must sign a customer owned inventory form and take delivery before April 11th, 2025. All products must be delivered within a maximum of two deliveries. Additional deliveries will result in a forfeit of the rebate.

PROGRAM TERMS & CONDITIONS

1. In order to qualify and earn a rebate, customers must purchase a minimum of \$1,000 of Heritage PPG Products during the EOP time frame.
2. Qualifying Participants will earn a rebate in the form of credit to their account on all of their EOP purchases. Participants' rebate percentage is determined by the dollar value of Qualifying Products they purchase during the EOP time frame. Program benefits are in addition to any Supplier Early Order Programs.
3. Purchases of Agency and MSRP Products will not receive rebates.
4. In order to qualify for a rebate during the months of September, October, November and December 2024, customers must make a minimum \$2,500 product purchase from Qualifying Suppliers.
5. Received as credit to account.
6. All Program awards are subject to participant compliance with Program rules. All accounts must be "current" as of August 1, 2025 in order to receive a credit on their HLSG account.
7. Credits earned from purchases made during the EOP will be applied by August 22nd, 2025.
8. Prices for qualifying products must be based on current Heritage PPG Published Pricing at time of purchase. Purchases with special pricing may not receive a rebate.
9. Customer will receive electronic gift card(s) contingent upon completion of customer information webform. Electronic or physical gift card(s) will be emailed by June 2025.

A purchase of Heritage branded fertilizer and turf seed during the months of July and August will go towards the \$2,500 minimum

Wetting Agent Golf Pack - Covers approximately 3-4 acres

Our Wetting Agent Pack of Aquiflo® Plus and Aquicare® wetting agent treats between 3-4 acres for 6 months based on the following applications. It provides the optimal combination for improving water flow and enhancing water retention, all while maintaining firm surfaces. Aquiflo® Plus wetting agent helps resist excessive water retention at the soil surface while moving and distributing water uniformly through the soil profile. Aquicare® wetting agent helps maintain optimal moisture levels in the root zone to provide a firm, healthy playing surface.
